

From the Editor-in-Chief's Desk

“Life is like riding a bicycle. To keep your balance you must keep moving.”

Albert Einstein

Heartiest congratulations to all the readers from our editorial team. With all your support and best wishes, the journal is indexed with Index Copernicus, and we are targeting to get our journal indexed in other databases also, for which we need to maintain the quality of articles.

In the present time, there is a need for a strong foundation in basic sciences which is a paramount for the optimal performance of clinicians to strengthen the accuracy of investigation and management.

It is our duty to keep learning and to keep abreast of the latest developments in each field so that the readers will be more benefited.

I would like to request all our readers to provide us continuous support in the form of quality articles to keep us moving in a balanced for the spread of knowledge and experiences.
