

# Secretary's Message

---

Dear members,

It gives me immense pride and pleasure to inform that CAESOK is the first state specialty organization, of its kind, in the entire country.

We have formed a membership coordination committee to increase the membership. Also for the first time we have proposed to have CAESOK funded research/study program.

In addition to this, CAESOK is happy to announce a reward for the best outgoing postgraduate (PG) student with an award "CAESOK Best Outgoing Post Graduate Student" from this academic year onward.

During the 15th Midterm Conference and 7th PG convention at Trivandrum on February 11, 2017, we inaugurated a project to pay for dialysis of underprivileged patients.

My sincere request to all practitioners, faculty, and students to make use of our journal CDJ and contribute contents for the same, to make it indexed.

I hope all these activities will keep rotating the wheels of CAESOK, throughout the entire term.

I would like to thank the organizing team of Dr Sunil Eraly and Dr Mathew Varghese for the smooth conduct and a memorable 14th CAESOK annual family meet at Bolgatty Palace.

It will be inappropriate if I do not mention the invaluable efforts of Dr Anulekh Babu, the organizing chairman of 15th Midterm Conference and 7th PG convention, along with the energetic Organizing Secretary Dr Sidharth V Nair, and his entire team for the record number of delegate registration and well-planned scientific extravaganza.

I would extend my good wishes to the organizing team of our next Annual Conference and family meet, under the Organizing Chairman Dr Rajesh Pillai and the Organizing Secretary Dr Afzal A, planned at Bali Islands. To the best of my knowledge, they have not left any stone unturned to make the conference a memorable and an absolute success and also hope that, they are going to set a new standard in hosting a conference. I request all of you to register at the earliest to make it a grand success.

What we are today is due to the selfless dedication and efforts of all past office bearers of the society and unflinching support of the members. I would like to thank our IPP Dr Prasanth Dhanapal and President elect Dr Rajesh Pillai for their unconditional support and guidance.

Thank you

Jai CAESOK and Jai Hind
