Medical and Surgical Update Society (MSUS) organized its 1st CME in field of Radiology. The CME was organized on 11th July 2017 in collaboration with Department of Radiology, AVBRH, Wardha. Dr. Pankaj Banode (Head Intervention Radiology) was the Chairman and Dr. Shivali Kashikar (Professor Department of Radiology) & Dr. Shraddha Singhania (Consultant Department of Radiology) were the Organizing secretary of the CME.

The session began with a welcome address by Dr Shivali Kashikar welcoming the dignitaries and delegates to the CME. Dr. Ashwin Lawande and Dr. Malini Lawande were the esteemed faculty for this CME.

Dr Ashwin Lawande trained in radiology at LTMG hospital and further trained in ultrasound at Jaslok hospital, Mumbai. Dr Ashwin is one of the leading names in musculoskeletal ultrasound in the country. He took a Live Demonstration workshop on USG Shoulder and he explained very precisely all the tips and tricks of the USG shoulder Joint.

Dr. Malini Lawande trained in Radiology at LTMG hospital, Mumbai. She has been practicing mainly MRI since the last 11 years. Her special interests are musculoskeletal and body imaging. Dr. Malini taught the Basic Anatomy of Shoulder Joint, Hip Joint and Spine. She also taught She also took a case based quiz for all the postgraduates and delegates.

Dr. Pankaj Banode gave vote of thanks and concluded the CME. Dr. Shraddha Singhania and Dr. Soheal Khan (Secretary Medical and Surgical Update Society) promises to organize this type of educational quest in future too.

Total 110 Delegates attended the CME and found it beneficial. Maharashtra medical council granted 2 MMC Credit Hours for the same. Medical and Surgical Update Society assures to hold similar type of activity in near future which enhances the Medical education and benefit people to learn from the experts.
