

Secretary's Message

Dear Caesokians,

It gives me an immense pleasure to address you all in this wonderful year when CAESOK is at its very best in terms of membership growth and quality of scientist's education meted out.

Fortunately being a part of an excellent midterm conference hosted by Pushpagiri College of dental sciences, Tiruvalla at Kottayam where Dr. A. Devadathan and his team raised the quality standards by a few notches.

Conference featured the quality post graduate students papers and posters, member presentations and two eminent key note speakers like Dr. B. Mohan and Dr. Eldo Koshy.

A fresh set of office bearers will take the charge for the next annual conference at Hotel Bolgatty Palace, Kochi on September 11th 2016 infusing fresh energy and momentum to our fraternity.

I request each and every member to register for the conference at the earliest.

Thanking you!
