

Editorial

Dear Readers,

RajaRajeswari Dental College & Hospital is celebrating its Silver Jubilee this year. Journal of Health Sciences & Research will be bringing Silver Jubilee issue soon. Milestones are important both in life and in history and the 25th year calls for celebrations and listing of our achievements.

The journal forms an important achievement in our Journey. With the association of Jaypee Brothers, the journal now attracts talents from other Institutions. Considering the number of teachers and postgraduates in dental and medical professions, the number of articles published is minimal. Publishing should come naturally to all clinicians and academicians.

I congratulate all the contributors and the Editorial team for bringing out this latest issue.

Wishing you good reading.

Editor-in-Chief
