# Journal of Indian Academy of Oral Medicine and Radiology

## 1. Aims and Scope

The journal is official publication of the *Indian Academy of Oral Medicine and Radiology*, India. Issues are published quarterly in the last week of March, June, September and December. Journal follows the broad guidelines for good publications practice brought out by the committee on publication ethics (COPE) and recommendations of World Association of Medical Editors.

All the rights are reserved. Apart from any fair dealing for the purposes of research or private study, or criticism or review, no part of the publication can be reproduced, stored, or transmitted, in any form or by any means, without the prior permission of the Editor, Journal of Indian Academy of Oral Medicine and Radiology.

Journal of Indian Academy of Oral Medicine and Radiology and/or its publisher cannot be held responsible for errors or for any consequences arising from the use of the information contained in this journal.

The appearance of advertising or product information in the various sections in the journal does not constitute an endorsement or approval by the journal and/or its publisher of the quality or value of the said product or of claims made for it by its manufacturer.

The journal is published and distributed by Jaypee Brothers Medical Publishers. Copies are sent to subscribers directly from the publisher's address. It is illegal to acquire copies from any other source. If a copy is received for personal use as a member of the association/society, one can not resale or give-away the copy for commercial or library use.

## 2. Ethical Considerations

Investigation and surgery on human subjects should conform to the guidelines noted in the World Health Organization Chronicle 1976; 30: 360-362.

Manuscripts submitted for publication must comply with the following ethical considerations:

### **Informed Consent**

Informed consent of the patients must be taken before they are considered for participation in the study. Patient identifying information, such as names, initials, hospital numbers, or photographs should not be included in the written descriptions.

Patient consent should be obtained in written and archived with the authors.

### **Protection of Human Subjects and Animals in Research**

When conducting experiments on human subjects, appropriate approval must have been obtained by the relevant ethics committees. All the procedures must be performed in accordance with the ethical standards of the responsible ethics committee both (institutional and national) on human experimentation and the Helsinki Declaration of 1964 (as revised in 2008). When reporting experiments on animals, authors must follow the institutional and national guidelines for the care and use of laboratory animals.

## 3. Copyright

Following guidelines must be followed before submission of the manuscript:

The articles must represent original research material, should not have been published before, and should not be under consideration of publication else where. This however does not include previous publications in form of an abstract or as part of published literature (review or thesis). It is the duty of the author to obtain the necessary permissions for extensive quotations, tables, illustrations, or any other copyrighted material they are using in the paper before a paper can be considered for publication. Copyright of the article gets transferred to Jaypee Brothers, once the article has been accepted for publication. The author would be asked to sign the "Copyright Transfer Form" before his/her article is considered for publication. Once the Copyright Transfer statement has been signed by the corresponding author, no change in authorship or in the order of the authors listed on the article would be accepted by Jaypee Brothers. Also by signing the above mentioned form, the author reassigns the rights of copublishing, or translation if considered necessary in future to the publisher. In the advent of occurrence of any dispute, the matter would be resolved within the jurisdiction of New Delhi court.

While all care has been taken to provide accurate and correct information in accordance with the date of publication, neither the authors, editors nor the publisher takes any legal responsibility for any unintentional omission or error. The publisher makes no expressed or implied warranty with respect to the information contained herein. The published material cannot be photocopied for the following purposes: general distribution, promotion, new works or resale. If this is required, specific written permission requires to be obtained from the publisher. Exclusive rights to reproduce and distribute the articles in this journal have been protected by copyright. This also covers the rights to reproduce or distribute the article as well as the translation rights. No material published in this journal can be reproduced in digital format or

stored in form of electronic databases, video disks, etc.

Both the conflict of interests and financial disclosure needs to be handled well while conducting the research study. Disclosure of such relationships is also important in connection with all articles submitted for publication. Both of these have also been included in the copyright transfer form. Authors should give due acknowledgement to the individuals who provide writing or other assistance while conducting the research study and also disclose the funding source for the research study.

Inauguration ceremony—Release of conference souvenir by Chief Guest, Shri Ghulam Nabi Azad, Honorable Union Health Minister, GOI

IADMFR faculty from overseas

Honoring our senior IAOMR members 'The Teacher of Teachers'  
Dr N Gnanasundaram

The XXII<sup>nd</sup> National Conference of IAOMR was held from the 17 to 19<sup>th</sup> Dec, 2010 at the Lalit Hotel, New Delhi. The conference was inaugurated by our esteemed Shri Ghulam Nabi Azad, Union Minister for Health & Family Welfare, along with Dr Mahesh Verma, President, DCI.

This scientific extravaganza marked the culmination of academic activities for the year 2010. Over 550 delegates from India and overseas participated and shared their knowledge and experiences. The event was in collaboration with IADMFR, which marked the first step towards streamlining our association with the international academia.

The keynotes by Dr Allan G Farman (USA) and Prof Keiji Tanimoto (Japan) along with Prof H Umarji and Prof N Gnanasundaram were the highlights of the scientific sessions. The trade fair with the largest ever participation of exhibitors added to the charm of the conference.
