

## NCOA Update

---

The 2013 North Carolina Orthopaedic Association Annual Meeting convened at The Greenbrier in White Sulphur Springs, WV for three days of education and fellowship. The scientific portion of the meeting featured several Duke residents, including Drs Tyler Watters, John Lewis, Elizabeth Hubbard, Norah Foster, Cameron Ledford, and Jonathan Godin. Drs Ledford and Lewis took home the first and second place resident research awards, respectively.

Of course, there was some time for extracurricular pursuits, with attendees enjoying the bounty of amenities offered by the resort – from golf to the spa and casino. Our own Dr Michael Bolognesi was introduced as the 2013-14 NCOA President. The NCOA 2014, to be held at the Grove Park Inn, Asheville, NC, promises to hold more educational opportunities, fun and friendship.
